Indulge yourself with luxurious bed-ware in contrasting textures. Let details ignite a passion for all things beautiful, go for the glamorous and delectable superb furnishings and the latest textiles to bring your design dreams to life. And go to bed having created an atmosphere of abundance for the sweetest of dreams.

## All Dressed in Black

This sumptuous duvet cover and comforter are quite simply divine. It features a sprinkle of beautiful diamantes, creating a touch of romance in any bedroom. This set is co-ordinated with a rich diamond quilt cover, with euro styled pillow-shams to match, along with co-ordinated scatter cushions embellished with diamantes.

## Create your own Dreams

You can create any look your heart desires when using a simple, crisp white pin-tucked tailored duvet cover. This detailed look is truly distinctive. Soft velvet throws, satin and velvet cushions are co-ordinated with floral curtains and wallpapered feature walls.

## Be Inspired

This delicate French Laced border duvet set creates a feeling of indulgence for a luxurious look. This set comes with trimmed satin Euro's with Oxford styled pillowcases, co-ordinated beautifully with a lavish padded comforter.
